

## *POEM – A Parents Wish*

*We wish you a childhood full of fun and games,  
And we wish you memories that have little pain.*

*We wish you to learn by making mistakes.  
We wish you love, and never hate.*

*We wish you the strength to make up your own mind,  
but we wish your heart to be gentle and kind.*

*We wish you to reach out and help when a friend needs a hand,  
we wish you to help him, to face life's demands.*

*We wish you what life brings you,  
Some ups and some downs,*

*But we wish you will smile more often than you'll frown.*

*We wish you will taste life's "Sweet smell of success",  
only to find no replacement for true love and happiness.*

*We wish life will teach you to stand on your own,  
but we wish you to know that you are never alone.*

*We wish you success in all that you do,  
and we hope that all of your dreams will come true.*

*But one thing above and beyond this is the love that is felt  
by this "Parents' Wish".*
